

## **Rules of Conduct**

The following Rules of Conduct have been adopted by the Great Northern Brewers Club, Inc. (GNBC) Board of Directors at its February 4, 2013 Meeting.

These Rules of Conduct apply to general meetings as well as outside club events. Additional event specific rules of conduct may be specified at the time of event.

General club meetings will be held on the third Tuesday of every month from September - May from 7:00 p.m. - 9:00 p.m., with clean up and lights out no later than 9:45 p.m.

All members and guest(s) of members must be 21, the legal drinking age for the State of Alaska. Club meetings may include the sharing of member's homebrewed beverages for sampling. The consumption of samples allows for educational examination of the various styles of home brewed beverages for the purposes of competition, evaluation, feedback, brewing techniques, and problem solving.

The consumption of alcoholic beverages affects a person's perception, judgment, and physical and mental reaction times. Driving under the influence of alcoholic beverages is illegal and can result in injury, including serious physical injury or death, to you and to others.

Each member and guests of said member accepts sole responsibility and liability for their conduct, behavior, and actions. As a condition of membership, each member agrees to indemnify and hold harmless the GNBC, its officers, directors, and members, and the owner(s), operator(s), staff, and patrons of the venue(s) at which GNBC conducts its events from any and all claims or liability whatsoever resulting from the member's actions or consumption of alcoholic beverages at GNBC functions.

Members/guests will respect the property, rules, and staff of the host-meeting site, before, during and after any club meetings or events. Members/guests exhibiting violence, abusive language, intoxication, or unbecoming/unruly conduct during club meetings will be expelled from the function. Subsequent infractions may be cause for suspension or expulsion of membership in accordance with GNBC bylaws.

Samples are to be consumed only within the space of the meeting room. At the conclusion of each meeting, all opened beverages (in tasting glasses, growlers, bottles, pitcher, or any other open container) must be properly sealed or disposed of prior to leaving the meeting room.

Failure to comply with the Rules of Conduct will result in a review of membership and may result in temporary suspension of membership or privileges, expulsion, or in the case of damage, possible restitution.

I agree to abide by these Rules of Conduct and agree to the terms of the Indemnification and Hold Harmless Agreement above.
